COMMENTS/SUGGESTIONS

- Excellent Workshop
- The PTC location was great. Comfortable and easy to get to.
- Jack is a wonderful speaker with vast knowledge of subject. Very glad this occurred for us. Great location
- As always – a great presentation. Wonderful info-well presented. Jack’s compassion and thoughtfulness are wonderful models to carry.
- Dr. Jordan provided a highly organized and clinically relevant presentation.
- Thank you. Great training.
- One of the best workshops I’ve ever been to.
- Wonderful – however, too much time was spent on presenting pure data – the presentation could have moved faster. Otherwise excellent.
- Excellent! This was an extremely valuable training.
- Excellent! Thank you.
- Very informative conference. The amenities were wonderful especially constantly having coffee/snack etc. given the topic of discussion.
- Very applicable, practical information. Wonderful!
- Would have liked more time for clinical implications/interventions (last 1 hour)
- Thank you.
- This was an excellent program. Thank you.
- Excellent speaker; knowledgeable, engaged, responsive to audience.
- 1) Great site 2) Clear, relevant, up-to-date, respectful, interesting, & knowledgeable presenter. Fabulous! Thank you, Jack.
- Fabulous! Thank you for offering this program to the cross-section of community providers.
- PowerPoint slides in complexity & bullet points on some slides & process others more.
- Thank you for the extremely interesting, honest and well presented presentation.
- Thank you! I am leaving with a deeper understanding and some ideas for action in my role at school.
- Thank you for the opportunity to participate in this conference.
- Extremely knowledgeable. Unique sensitivity to community of survivors.
- Excellent speaker – thoughtful and informative. Raised awareness as a clinician and parent.
- Excellent!
- Wonderful, timely, effective, efficient, compassionate.

RECOMMENDATIONS

- What about “advanced version of this presentation?”
- Adolescent Suicide PTS Management CI Response. I would like to have a program dealing w/elderly, infirm, ill (ALS, Parkinson’s) client, suicide ideation.
- Cultural norms regarding drugs and alcohol – are they changeable?
- Location great; food; audio-visual
- Very comfortable setting but the time of the training (9:00 – 4:00) puts it at the peak of rush hour
- Great training!
- Great, great, more, more, more
- How to assess for suicidality – how to handle suicidal ideation
- High risk teen behavior
- Community prevention efforts
- Great location
